A downloadable version of this document, the 2003 English Tobacco Use Special Cessation Supplement to the Current Population Survey (TUSCS-CPS) may be obtained from http://riskfactor.cancer.gov/studies/tus-cps/info.html. It was fielded in February, June and November of 2003 by the Census Bureau for the co-sponsors the National Cancer Institute and the Centers for Disease Control and Prevention as part of a continuing series of Tobacco Use Supplements to the Current Population Survey.
This month we would also like to ask about your thoughts and experiences concerning tobacco use. I need to ask each individual, age 15 years old and older, these questions.

ENTER (P) TO PROCEED

ENTER (I) FOR IMPORTANCE OF RESPONDING

H_SUPP_I

The information you give is important. Answers to the tobacco use questions will be used by the National Cancer Institute, the Centers for Disease Control and Prevention, other researchers, national, state, and local public health officials, and others to measure changes in America’s use of tobacco products, work place policies, medical doctor and dentist advice, and opinions towards tobacco use.

I (also) need to talk with [fill name/READ LIST OF NEEDED PERSONS]. Is he/she at home now/Are either of them at home now/Are any of them at home now)?

NO ONE ELIGIBLE, SKIP TO FIN (F10)
IF ANSWERED, JUMP FORWARD (F3)

GET SELF RESPONSE ONLY.
WHEN DONE, F10 FOR CALLBACKS
