

Myth Buster #4

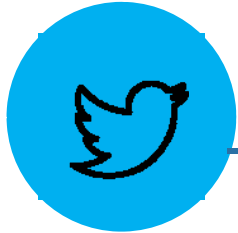

NIH is a faceless bureaucracy

Mimi Lising, MPH

Communications Team, Behavioral Research Program

Ways to Communicate with the NCI Behavioral Research Program

Twitter

- scientific publications & reports
- press releases
- funding opportunities and upcoming deadlines
- upcoming workshops, events, and conferences
- research resources (datasets)
- career and fellowship opportunities
- news articles (that cover our work)

BRP Website

cancercontrol.cancer.gov/brp

Funding opportunities	cancercontrol.cancer.gov/brpfundinglist
Sample grant applications	cancercontrol.cancer.gov/brp/funding/sample-application.html
Featured grantees	cancercontrol.cancer.gov/brpgrantees
Staff profiles	cancercontrol.cancer.gov/brpstaff
Webinars	cancercontrol.cancer.gov/brpwebinars

BRP Electronic Updates

cancercontrol.cancer.gov/brpnews

To subscribe: cancercontrol.cancer.gov/brpsubscribe

- Quarterly newsletter
 - scientific advances
 - training/career opportunities
 - resources
- Upcoming events and webinars
- Funding announcements

Contact Program Directors

cancercontrol.cancer.gov/brpstaff

- BRP Program Directors can advise you throughout the application process from idea development through submission and review
- Search for Program Directors by branch affiliation or research expertise
