

## Cancer Centers Cessation Initiative (C3I) Cohort 1 Report 2: July 1, 2018 to Dec 31, 2018

---

### Start of Block: Cancer Center Information

Q1 INSTRUCTIONS This survey will collect information among Cohort 1 grantees for the C3I funding period of July 1, 2018 through Dec 31, 2018. The completed survey (including the data report) is due Jan 31, 2019. Please answer all questions about your Cancer Center setting(s) and Tobacco Treatment Program (TTP) for this reporting period. You will enter the reach and effectiveness data into this online survey, working from the Data Report Worksheet (posted on the portal). The protocol for data reporting is also posted on the portal. You may stop and continue the survey later without losing any responses if you open the link from the same IP address.

Q2 Please enter your contact information:

First name (1) \_\_\_\_\_

Last name (2) \_\_\_\_\_

Email address (3) \_\_\_\_\_

Q3 Please select your NCI Cancer Center/affiliated University from the list:

▼ Baylor University (1) ... Yale University (22)

---

### End of Block: Cancer Center Information

### Start of Block: EHR and TTP Characteristics

Q4 How often is smoking status **required** to be updated/recorded in the EHR?

☐ At new patient visits only (1)

☐ More frequently than new patient visits, but not required at every visit (2)

☐ At every patient visit (3)

☐ Don't know/Not sure (4)

Q5 Please select all of the tobacco treatment services/programs offered to patients within this reporting period:

- ☐ Individually delivered in-person services/program (1)
- ☐ Group delivered in-person services/program (2)
- ☐ Cessation medication (12)
- ☐ In-house telephone-based program (non-automated) (3)
- ☐ TelASK (4)
- ☐ Other IVR (5)
- ☐ Quitline via fax referral (6)
- ☐ Quitline via eReferral (7)
- ☐ SmokefreeTXT without eReferral (9)
- ☐ SmokefreeTXT via eReferral (8)
- ☐ Other text/mobile program (10)
- ☐ Web resource (e.g. Smokefree.gov) (11)
- ☐ Other (please describe) (13) \_\_\_\_\_
- ☐ None active during this time period (14)

Q6 How were patients connected with or referred to a tobacco treatment program or resource during this reporting period? Choose all that apply.

- ☐ No referrals offered/given (1)
- ☐ Information given and patient initiates (2)
- ☐ Clinician initiated referral (not via EHR) (3)
- ☐ EHR referral is optional for smokers (4)
- ☐ EHR referral is automatic for smokers ("opt-out method") (5)
- ☐ Other (please describe) (6) \_\_\_\_\_

---

*Display This Question:*

*If Q6 = 5*

*Or Q6 = 4*

*Or Q6 = 6*

Q7 Did your program use an EHR based, closed-loop referral system (e.g. EHR-generated referral; EHR is populated with treatment outcomes from an outside tobacco cessation service vendor)?

- ☐ Yes (1)
- ☐ No (2)
- ☐ Don't know/not sure (3)

---

Page Break \_\_\_\_\_

Q8 Which of the following populations were referred to tobacco treatment? Choose all that apply.

- ☐ Inpatients (1)
- ☐ Outpatients (2)
- ☐ Family members of patients (3)
- ☐ Community members (4)
- ☐ Other (specify) (5) \_\_\_\_\_
- ☐ No referrals offered/given (6)

Q9 Please indicate whether you have undertaken any of these activities, even if they are still in progress:

|                                                                                             | Not yet started (1) | In progress (2) | Completed (4) | Not applicable (3) |
|---------------------------------------------------------------------------------------------|---------------------|-----------------|---------------|--------------------|
| Secure health care system administrative leadership buy-in and support. (q9_1)              | 0                   | 0               | 0             | 0                  |
| Secure health care system clinical leadership buy-in and support. (q9_2)                    | 0                   | 0               | 0             | 0                  |
| Secure health care system IT leadership buy-in and support. (q9_3)                          | 0                   | 0               | 0             | 0                  |
| Define the new clinical workflow for screening and referring smokers to treatment. (q9_4)   | 0                   | 0               | 0             | 0                  |
| Work with IT to modify the EHR to screen and identify current smokers for treatment. (q9_5) | 0                   | 0               | 0             | 0                  |
| Work with IT to modify the EHR to refer current smokers to treatment. (q9_6)                | 0                   | 0               | 0             | 0                  |
| Train clinicians and staff in the new clinical workflow. (q9_7)                             | 0                   | 0               | 0             | 0                  |
| Pilot the new clinical workflow. (q9_8)                                                     | 0                   | 0               | 0             | 0                  |
| Implement the new clinical workflow ("Go live"). (q9_9)                                     | 0                   | 0               | 0             | 0                  |
| Develop an evidence based TTP. (q9_10)                                                      | 0                   | 0               | 0             | 0                  |

Q10 Please select all of the tobacco treatment services that your program billed for during this reporting period:

- ☐ Medication (1)
- ☐ Counseling (2)
- ☐ Other service (specify): (3) \_\_\_\_\_
- ☐ Did not bill for any tobacco treatment services (4)

Q11 Please select all of the materials you have created within your program:

- ☐ Marketing/promotional materials for the TTP (1)
- ☐ General cessation materials (2)
- ☐ Tailored cessation materials (i.e. for special populations) (3)
- ☐ Training materials for staff (4)
- ☐ EHR scripting (orders, smarttext, smartphrases, etc.) (7)
- ☐ Other type (specify) (5) \_\_\_\_\_
- ☐ No materials created (6)

---

Page Break \_\_\_\_\_

Q12 Select the number of clinicians or other health care staff that were trained in referring to and/or delivering any type of tobacco cessation treatment during this reporting period. Please select 0 if there were no staff trained during this period.

☐ 0 (0)

☐ 1-2 (1)

☐ 3-4 (2)

☐ 5+ (3)

Q13 Select the number of dedicated tobacco treatment specialists on staff during this reporting period. Please select 0 if you don't have any full/part time tobacco treatment specialists on staff.

|                                   | 0 (0)                 | 1 (1)                 | 2 (2)                 | 3 (3)                 | 4+ (4)                |
|-----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Number of part time TTS (numpart) | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Number of full time TTS (numfull) | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Start of Block: Data Reporting

Q14 Do you have reach data to submit for July 1, 2018 to Dec 31, 2018? If you select "No", the survey will be submitted with the answers that are completed now.  
Please only select "No" if you are sure you want to end the survey now and not return to the previous questions.

☐ Yes (1)

☐ No (2)

*Skip To: End of Survey If Q14 = 2*

## End of Block: Data Reporting

### Start of Block: Reach Data Report

Q15 Please list the settings for which you have data to report. You must enter at least 1 setting, even if it is the whole Cancer Center. Leave the other fields blank if you do not have more than 1 setting.

☐ Setting 1 (REQUIRED) (1) \_\_\_\_\_

☐ Setting 2 (2) \_\_\_\_\_

☐ Setting 3 (3) \_\_\_\_\_

Q16 For each setting, please estimate what percentage of patients seen in this setting are cancer patients:

|                                                                                                                                                                                                                | Less than 50% (1)     | 50-75% (2)            | Greater than 75% (3)  |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|
| <div>#{Q15/ChoiceTextEntryValue/1}<br/>(q16_1)</div>                                                                                                                                                           | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| <div>If Please list the settings for<br/>which you have data to report.<br/>You must enter at least 1<br/>setting, ev... Setting 2 Is Not<br/>Empty</div> <div>#{Q15/ChoiceTextEntryValue/2}<br/>(q16_2)</div> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| <div>If Please list the settings for<br/>which you have data to report.<br/>You must enter at least 1<br/>setting, ev... Setting 3 Is Not<br/>Empty</div> <div>#{Q15/ChoiceTextEntryValue/3}<br/>(q16_3)</div> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Q19 REACH DATA REPORT Please provide data for the reporting period from July 1, 2018 to Dec 31, 2018. Enter the number of unique patients, not the number of visits. As a reminder, you should report on all patients seen in the setting indicated. This includes patients diagnosed with cancer as well as other types of patients (e.g. screening patients). You may have separate data for different health care settings (for example, if the reports are generated from different health care organizations or EHR systems). There is space to enter data for up to 3 settings. You may not have data to report for every

field. Please enter NA for the fields that you do not have data to report. Please be sure to distinguish between 0 (zero) patients and missing or not applicable/NA data.

Q20 Enter the number of:

|                                                                                                                                                               | \${Q15/ChoiceTextEntryValue/1} (1) | <i>If Please list the settings for which you have data to report Setting 2 Is Not Empty</i><br>\${Q15/ChoiceTextEntryValue/2} (2) | <i>If Please list the settings for which you have data to report Setting 3 Is Not Empty</i><br>\${Q15/ChoiceTextEntryValue/3} (3) |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Adult patients (18 and older) (all)                                                                                                                           |                                    |                                                                                                                                   |                                                                                                                                   |
| Patients who were screened for tobacco use and have a documented smoking status. Do not include those who refuse/decline to report smoking status. Q22 The next questions ask about demographic information for all current smokers. The total within each demographic group should add up to the total number of current smokers.

**\*NOTE\***

If your EHR documents the demographic category, but there are no members of that group in your report, enter "0".

However, if the category is not documented in the EHR, please enter "NA".

Q23 Enter the number of current smokers who are:

|                                                   | $\{Q15/ChoiceTextEntryValue/1\}$ (1) | <div>If Please list the settings for which you have data to report Setting 2 Is Not Empty</div> $\{Q15/ChoiceTextEntryValue/2\}$ (2) | <div>If Please list the settings for which you have data to report Setting 3 Is Not Empty</div> $\{Q15/ChoiceTextEntryValue/3\}$ (3) |

End of Block: Demographics for current smokers

Start of Block: Demographics for TTP participants

Q28 The next questions ask about demographic information for TTP participants. The total within each demographic group should add up to the total number of TTP participants.

**\*NOTE\***

If your EHR documents the demographic category, but there are no members of that group in your report, enter "0".

However, if the category is not documented in the EHR, please enter "NA".

Q29 Enter the number of TTP participants who are:

|  | <div><div></div><div>#{Q15/ChoiceTextEntryValue/1} (1)</div></div> | <div><div><div>If Please list the settings for which you have data to report Setting 2 Is Not Empty</div><div>#{Q15/ChoiceTextEntryValue/2} (2)</div></div></div> |
|--|--------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|--|--------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|

If Please list the settings for which you have data to report Setting 3 Is Not Empty

#{Q15/ChoiceTextEntryValue/3} (3)

Q30 Enter the number of TTP participants who are:

|                                                                                     | <p>           \${Q15/ChoiceTextEntryValue/1} (1)         </p> | <p> <i>If Please list the settings for which you have data to report Setting 2 Is Not Empty</i> </p> <p>           \${Q15/ChoiceTextEntryValue/2} (2)         </p> | <p> <i>If Please list the settings for which you have data to report Setting 3 Is Not Empty</i> </p> <p>           \${Q15/ChoiceTextEntryValue/3} (3)         </p> |

End of Block: Optional reach-TTP offered

Start of Block: Effectiveness Part 1

Q36 Do you have effectiveness data to submit for July 1, 2018 to Dec 31, 2018? If you select "No", the survey will be submitted with the answers that are completed now.

Please only select "No" if you are sure you want to end the survey now and not return to the previous questions.

☐ Yes (1)

☐ No (2)

*Skip To: End of Survey If Q36 = 2*

---

**Q37 EFFECTIVENESS DATA REPORT** Effectiveness measures should be reported only among those smokers who have engaged/participated in a tobacco treatment program. Within the reporting period, enter data for the time of enrollment /first TTP encounter during reporting period and at 6 month follow-up that occurred during the reporting period. The same patients will not have both baseline and follow up measures within the same reporting period.

---

**Q38** Please indicate the methods used to collect the 6-month follow-up effectiveness data :

☐ In-person survey (1)

☐ Telephone-based survey (non-automated) (2)

☐ TelASK (3)

☐ Other automated/IVR system (4)

☐ Quitline reports (5)

☐ EHR reports (6)

☐ Other way: (7) \_\_\_\_\_

Q39 EFFECTIVENESS PART 1

Please enter the total number of TTP participants you are reporting effectiveness data on, overall and by TTP type.

## Q42 EFFECTIVENESS PART 2

Please expand on the Effectiveness Part 1 required item by entering the number of participants of each type TTP type who responded to, "When did you last smoke a cigarette (even one or two puffs)?"

Q43 Do you have effectiveness data for participants of an **IN-PERSON TTP** (individual or group)?

☐ Yes (1)

☐ No (2)

Skip To: Q45 If Q43 = 2

Q44 Among the smokers that engaged in an **IN-PERSON TTP** (individual or group), enter the number that that reported the following categories when asked, "When did you last smoke a cigarette (even one or two puffs)?"

|  | {\$Q15/ChoiceTextEntryValue/1} |                             | {\$Q15/ChoiceTextEntryValue/2} |                             | {\$Q15/ChoiceTextEntryValue/3} |                             |
|--|--------------------------------|-----------------------------|--------------------------------|-----------------------------|--------------------------------|-----------------------------|
|  | Enrollment<br>(1)              | 6 Month<br>Follow-up<br>(2) | Enrollment<br>(1)              | 6 Month<br>Follow-up<br>(2) | Enrollment<br>(1)              | 6 Month<br>Follow-up<br>(2) |

|                                                                    |  |  |  |  |  |  |

End of Block: Effectiveness Part 1

Start of Block: Effectiveness Part 2.1

Q59

Please expand on the Effectiveness Part 1 required item, "When did you last smoke a cigarette (even one or two puffs)?". Enter the number of TTP participants (of any TTP type) falling into each of the demographic categories listed for each response to the required item.

**\*NOTE\***

If your EHR documents the demographic category, but there are no members of that group in your report, enter "0".

However, if the category is not documented in the EHR, please enter "NA".

Q60 Enter the number of TTP participants who: **Smoked a cigarette today (at least 1 puff)**
